

## SEVEN STANDARD ROTARY MACHINES MUST GO.

We have to give up our store room where our surplus Sewing Machines are kept. This makes it necessary that every machine not kept on the show room floor must be sold at once.

### What Does This Mean to You?

It means this—You are enabled to secure the best Machine in the world, baring none, at a price even less than the far inferior kinds. A machine that makes both Lock and Chain Stitches, taking but a moment to make the change. A machine you can do more kinds of sewing on in a perfectly finished way than on any other machine made.

### Here's The Proposition!

1 Norwood Machine, List Price \$25.00, Our Price \$19.50,	NOW \$16.85
1 Standard Rotary, List Price \$38.00, Our Price \$32.00,	NOW \$26.50
1 Standard Rotary, List Price \$48.00, Our Price \$38.00,	NOW \$31.50
1 Standard Rotary, List Price \$50.00, Our Price \$40.00,	NOW \$31.50
3 Standard Rotary, List Price \$60.00, Our Price \$45.00,	NOW \$37.50

Only just seven we are forced to sell for lack of space—then you pay our regular price which is from \$10 to \$15 less than other high class makes.
